Zoning Application Instructions/Tips

Please use this application for requesting building and/or structure permits under Chippewa County's zoning, shoreland zoning and floodplain ordinances. All applicable sections of the Zoning Application shall be filled out completely. A site plan, floor plan, side views/building elevations and applicable fees must be submitted along with the Zoning Application in order for the Department to properly process.

If the required information is missing, the applicant will be given seven (7) days from notification to formally submit the missing information or to make the necessary corrections. If the information is not submitted or the necessary corrections are not made within seven (7) days from notification, all submitted information will be returned to the applicant stating the reason why. In addition, the applicable fees will be returned minus a \$25 service charge.

Property information, such as parcel identification number, zoning and aerial photos, can be found on the County's Geographical Information System (GIS) at <http://mapping.co.chippewa.wi.us/>

SITE PLAN: Minimum document size of 8½" x 11" and shall not exceed 11" x 17"

You may use the attached site plan template (page 4) or supply your own that meets the minimum requirements. The site plan shall be scaled, show the proposed location of the structure/addition, the overall size/dimensions of the structure/dimensions, the distance from your property/lot lines, the road right-of-way(s), well, septic system, and all other structures located on the property. Generally, distances greater than 100 feet can be estimated. Inaccurate, imprecise or missing information will result in the delay in the review and/or issuance of the applicable permit. Any changes to the original site plan submitted must be approved by the Department with the submission of a new site plan.

FLOOR PLAN: Minimum document size of 8½" x 11" and shall not exceed 11" x 17"

The floor plan shall show the overall size/dimensions of the proposed structure/addition and the location and size of all internal rooms or walls of the structure. All internal rooms shall be identified as their proposed use (e.g. bedroom, bathroom, open storage, office, deck, porch, etc). Note: Floor plans for one-and-two family dwellings shall be submitted as per the Uniform Dwelling Code (UDC) size requirements.

SIDE VIEWS/BUILDING ELEVATIONS: Minimum document size of 8½" x 11" and shall not exceed 11" x 17"

Submit the side views/building elevations for all sides of the proposed structure. The views shall accurately portray the overall size/dimensions, wall height, roof pitch, appearance, doors/windows, etc.

FEES

Application fees must be paid at the time of submission by either cash or check. Please do not send cash through the mail. Checks shall be payable to the **Chippewa County Treasurer**. Additional fees may be applicable depending on the project scope (e.g. Uniform Dwelling Code, Electrical Inspections, POWTS, Well, etc.). *If the project has started without the issuance of the applicable permits, after-the-fact fees will be assessed for the project.*
