Attachment to the Agenda of the October 25, 2021 Meeting Chippewa County Housing Authority (CCHA) Commission Meeting

Reports:

- 1. CDBG Desk Monitoring: The State is monitoring the Regional CDBG Housing grant. We submitted all materials for review ahead of the October 8, 2021 deadline. I have not heard any results of the monitoring as of yet, but will provide an update at the meeting if the desk monitoring is completed by then.
- 2. 2022 Regional CDBG Grant Application and Public Hearing: The State has released the application materials for the 2022 Regional CDBG grant. Chippewa County, as lead County for the West Central Wisconsin Housing Region, is eligible to apply for funding. The application is due by December 10, 2021. The 2022 funding allocation for Wisconsin's CDBG Small Cities Housing Program is estimated to be \$17 million which will be allocated between the seven regions based on a "fair share" allocation in which historical use of funds and availability and use of program income will be considered. The public hearing that is required for the CDBG application will be held in conjunction with the County Board meeting on Tuesday, November 9, 2021.
- 3. Update on Hope Village: The local AMVETS group is working on finalizing a tiny house that will be donated to Hope Village and used to provide temporary shelter to veterans who are unable to be sheltered at Klein Hall (ex. female veterans, families with children). The AMVETS group hopes to have the tiny house completed before Veterans Day, and it will be the largest tiny house in Hope Village's inventory. The AMVETS tiny house will be placed at Our Savior's Lutheran Church in Chippewa Falls.

The Hope Village community center project is currently out for bid. Hope Village utilized volunteers for all the demolition work inside the building in an attempt to save costs. The bids for the community center renovation are due by November 2, 2021. We sent out notice to 51 companies notifying them of the Hope Village RFP and directing them to the bid packet on our website. We have gotten responses from three local companies that may be interested in submitting bids: Dell Construction, Brown Builders, and Royal Construction. We held two open houses at the project site and had two companies attend the second open house. The bid opening will be held at 1:00 p.m. on November 2, 2021. We are anticipating that the work will start this winter.

We are working with CBS Squared engineering and they are busy doing survey work and finalizing the design plans for the outside infrastructure work (road, sidewalks, concrete pads for tiny houses, etc.). We expect to have the outdoor work out for bid sometime in January.

Business Items:

- 1. Approval of the Financial Reports for September 2021: The financial reports are enclosed with the meeting packet.
- 2. Consideration to Hold December Meeting on December 20, 2021: This will allow us to meet before the holidays, and we would hold this meeting in conjunction with our annual public hearing to discuss the Authority's five year plan. The public hearing will begin at 3:30 p.m. and the Commission meeting could immediately follow.
