#### 5. REPORTS

- 1. Informal Hearings for Rental Assistance Programs: No addition to the written report.
- 2. Update on CDBG Desk Monitoring: Oleson-Bue referenced the written report and noted that there was one finding of non-compliance because the Authority did not maintain documentation that the public notice requirements were being met for the Regional CDBG Housing Committee meetings. Oleson-Bue stated that previously the task of posting the meeting notices was disbursed among the committee members throughout the 10-county region but that she will be sending the meeting notices directly to the county clerks and newspapers moving forward. Oleson-Bue commended the Authority staff for their thoroughness in administering the CDBG program.
- 3. Update on Results of TBRA Monitoring: Oleson-Bue referenced the written report and stated that she has received a response from the State noting that the finding of non-compliance with the rent payment standard was rescinded. Hull stated that he was pleased that the Authority was able to have communication with the State regarding the finding and was satisfied with the result.
- 4. Update on Habitat for Humanity Partnership for New Construction: Oleson-Bue referenced the written report and stated that the Authority did not receive any bids for concrete work, and has adjusted the proposed timeframe for completion and is back out for bid for concrete work to be completed no later than 5/31/23. Jankoski noted that ABE Concrete in Stanley has been doing good work in the Stanley area and asked if the Authority included them in the list of contractors that were solicited. Oleson-Bue stated that she was unsure if they were on the list of contractors, but she would make a note to check with staff. Oleson-Bue also noted that the request for bids was published in the Chippewa Herald and posted on the Authority's website so the opportunity is available for all contractors to bid.
- **5. Schedule Annual Hearing Regarding 5-Year PHA Plan:** Oleson-Bue referenced the written report and stated that she will need to schedule the annual hearing in December and publish notice at least 45 days in advance of the hearing, in addition to sending a notice to all participants of the Section 8 program. Discussion included combining the November and December meetings, and all commissioners in attendance stated they would be available on 12/11/23 for the annual hearing followed by the commission meeting.
- **6. Executive Director Employment Review:** Oleson-Bue provided information on what has been going well, challenges encountered, and goals for the future. Discussion included full utilization of CDBG and Section 8 funding allocations, preparations for retirements of long-standing staff members, and community engagement and partnership with local agencies. Further discussion included challenges such as agency budgeting with the current program reimbursement structure and timeline, implementation of the new software system for the voucher program, and more staff retirements expected in 3-5 years. Additional

discussion included the possibility for a conversion of a non-residential building into affordable rental units and the possibility and benefit of creating a middle management structure for the CDBG and Section 8 programs administered by the Authority if the budget allows in the future. It was suggested to revisit the Authority staff workload for possible redistribution of duties and to gain insight from staff on the skills they may have that might be underutilized. There were no other comments or questions.

#### 6. BUSINESS ITEMS

- 1. Approval of the Financial Reports for July 2023: Hull called for questions. There were none. Jankoski and McGill made a motion to approve the financial reports for July 2023 as printed. Motion carried with all present voting aye.
- 2. Approval of the Financial Reports for August 2023: Hull called for questions. McGill asked about the disbursement of \$41,393.95 for the property 11408 County Hwy M. Oleson-Bue stated that this was the foreclosed property in New Auburn that the Authority sold recently. Oleson-Bue explained that the full payment for that property was deposited into the management bank account to cover expenses that were incurred for carrying costs, clean out of the property, legal fees, etc. and that \$41,393.95 were the remaining proceeds that were transferred to the Authority's federal account to be used toward another NSP project, specifically, the new construction duplex on Badger St. in Chippewa Falls. Danielson and Jankoski made a motion to approve the financial reports for August 2023 as printed. Motion carried with all present voting aye.
- 3. Authorization to Decrease Payment Standards for Section 8 Program: Oleson-Bue referenced the written report, and stated that the Authority will need to decrease the payment standard for 4 and 5-bedroom units effective 1/1/24 since the current HUD waiver that allowed for the higher payment standards will expire on 12/31/23. Jankoski and McGill made a motion to decrease the payment standards to \$1,632 for 4-bedroom units and \$1,877 for 5-bedroom units effective 1/1/24. Motion carried with all present voting aye.

### Attachment to the Agenda of the October 23, 2023 Meeting Chippewa County Housing Authority (CCHA) Commission Meeting

#### Reports:

- 1. Informal Hearings for Rental Assistance Programs: There were no informal hearings conducted since the last meeting, and no new requests for a hearing.
- 2. J. Davis Appointment: Judith Davis has been appointed to the Housing Authority Commission as the representative for the Northwest region of Chippewa County.
- 3. Update on Habitat for Humanity Partnership for New Construction: We are partnering with Habitat for Humanity to build a single family home on Lot 43 Bluff View Circle West, Chippewa Falls. We had to re-bid the concrete work, and this time we received one bid from DJ's Concrete. The bid was reasonable and so we have awarded the contract. Our building inspector is working on soliciting bids for electrical, plumbing, and HVAC so that we can move forward with pulling the building permit and start the project pending contractor availability.
- 4. Update on 17 W. Birch St. Chippewa Falls: We purchased this property on 8/6/21 with the intent to rehabilitate and maintain as a rental unit. We hired contractors to complete lead hazard remediation work, replace the roof, and repair the soffit and fascia. We have made some significant changes to the layout of the home to enable a half bath on the second level to become a full bathroom and have added an additional bedroom so that the home now has five bedrooms. We are waiting for the electrician to be available before we can finish the home. We do not have an expected completion date at this time, likely early-to-mid 2024 before the home will be available for leasing.
- 5. Update on New Construction Duplex 103/105 Badger St. Chippewa Falls: We purchased this lot on 8/31/21 and went through the process for re-zoning from R-1C Single Family District to R-2 Two Family Residential District so that we could build a duplex rather than a single family home. The rezoning was approved through passage of Ordinance 2022-03 by the City of Chippewa Falls on 2/1/22. We are working with a general contractor for the construction of the duplex, and the project is nearing completion. We will begin advertising the units for rent to be available in January 2024.
- 6. Update on 209 N. 6<sup>th</sup> St. Cornell: We purchased this property on 7/29/22 for the purpose of rehabilitation and re-sale to an income eligible family. This property needed numerous repairs including: roof, soffit/fascia, gutters, siding (re-painted house and garage siding), windows, exterior doors, some electric, some plumbing, replace water heater, insulation, flooring throughout the home. The work is nearing completion and we expect it will be available for sale by the end of 2023 or early 2024.
- 7. Update on 334 E. 2<sup>nd</sup> Ave. Stanley: We purchased this property on 6/28/23 for the purpose of rehabilitation and re-sale to an income eligible family. We have received the results of the Lead Risk Assessment and will be drafting the bid specifications. The project requires sealed bidding. We are planning to replace windows, roof (portion), gutters, A/C unit, some electrical, doors, duct work needs to be run upstairs, bathroom updates, flooring throughout, painting, and kitchen cabinets.
- 8. Update on 738 Maple St. Chippewa Falls: We purchased this property on 7/6/23 for the purpose of rehabilitation and re-sale to an income eligible family. We have received the results of the Lead Risk Assessment and will be drafting the bid specifications. The project

- requires sealed bidding. We are planning to replace siding, windows, soffit/fascia, some electrical, countertops, flooring, some misc. patching, and painting.
- 9. Review of the Draft 5-Year PHA Plan: We are in the process of updating our 5-Year PHA Plan. I have solicited feedback from staff and community agencies, and will be hosting a listening session for Housing Choice Voucher (HCV) program participants on 10/19/23 regarding the proposed goals and objectives. The draft plan is included in the meeting packet. We will hold the public hearing on 12/11/23 and the final plan must be submitted to HUD no later than 1/15/24.

#### 10. Section 8 Housing Choice Voucher Program Updates:

- a. NSPIRE: HUD is changing the inspection model for HUD funded programs from Housing Quality Standards (HQS) to the National Standards for the Physical Inspection of Real Estate. The final NSPIRE rule was published on 5/11/23 and was supposed to be implemented for the HCV program on 10/1/23. On 9/28/23, HUD issued a notice advising public housing authorities (PHAs) that they can maintain HQS as their inspection model until 10/1/24. CCHA has opted to delay implementation of NSPIRE to allow more time for staff training and notice to participating landlords.
- b. HOTMA: The Housing Opportunity through Modernization Act was signed into law on 7/29/16. HUD finalized HOTMA rulemaking in 2023 and this modifies the regulations for determining household income and assets, impacting household eligibility and rent payments. This also sets limits on assets for families assisted under the HCV program and other public housing and project based voucher programs. The final rule is effective on 1/1/24 but HUD has recently published notice that allows PHAs 12 months to implement the HOTMA provisions. We subscribe to the Nan McKay service for updating our administrative plan and they expect to release the updated version in early 2024. We must implement the changes no later than 1/1/25. CCHA staff have had some training on the HOTMA changes, but we will participate in an in-depth training when available.
- c. eVMS: HUD is updating its system for reporting from the Voucher Management System (VMS) to the Enterprise Voucher Management System (eVMS). HUD expects that the new system will improve HCV program administration and modernize the process HUD uses to record monthly HCV program performance and calculate program payments. HUD is planning to transition PHAs in "waves" but the process is delayed due to several factors, including changes that need to be made to the HUD form 50058 that will incorporate the HOTMA provisions. I was notified in July '23 that CCHA was selected as an eVMS Wave 1 participant and that I was invited to attend a kickoff webinar in August '23. However, prior to the date of the webinar, I was notified that there was a delay and I have not heard anything further at this time.
- d. HIP: HUD is planning a software conversion from PIC (Public and Indian Housing Information Center) to HIP (Housing Information Portal). The new software will be cloud based and implementation will be forthcoming. At this time, no conversion date has been set.

#### Business Items:

- 1. Approval of the Financial Reports for September 2023: The September financials are included in the meeting packet.
- 2. Group Health Insurance Employer Contribution Rate: The Department of Employee Trust Funds (ETF) is creating an online system for each participating employer in the State of Wisconsin group health insurance. As part of this process, they requested information on the employer contribution rates for CCHA and we provided the information. We were informed by ETF that CCHA has been using an outdated method for calculating the employer contribution for group health insurance. CCHA has been using the following percentages based on employee FTE status, using the lowest qualified plan:
  - 90% for full time employees,
  - 67.5% for <sup>3</sup>/<sub>4</sub> employees,
  - 50% for half time employees, and
  - 25% for employees who work less than 20 hours per week.

Based on ETF 40.10(3), CCHA must pay an employer contribution between 50% and 88% of the <u>average</u> qualified plans for all employees working 1,044 hours or more. For insured part-time employees working less than 1,044 hours per year, CCHA must contribute an amount not less than 25% of the <u>lowest</u> qualified plan. According to the representative at ETF, most participating employers pay 88% of the average qualified plan for full-time employees. I worked with our fiscal manager to look back at the last five years and run the employer contribution based on the average of the qualified plans instead of the lowest qualified plan, and we determined that CCHA has paid 82.8% (without dental) and 82.9% (with dental) on average over the past five years for full-time employees. I'm proposing that CCHA use the following percentages, effective 1/1/24, based on employee FTE status:

- 88% of average qualified plans for full time employees,
- 69% of average qualified plans for <sup>3</sup>/<sub>4</sub> employees.
- 50% of average qualified plans for half time employees, and
- 25% of lowest qualified plan for employees who work less than 20 hours per week.

We are currently in the open enrollment period where employees can make changes to their health insurance provider. In 2023, we had 5 employees take a family plan, 5 employees take a single plan, and 2 employees who do not participate in the group health insurance. All employees are full time status. If there are no changes to the plan type (family vs. single) and we still have 10 employees enrolled in the group health insurance, the cost for 2024 will be \$8,667 higher for the year based on the proposed employer contribution rates and the actual premium rates for the insurance providers in our network for 2024.

	Goal: Improve the quality of housing Objective: Apply for funding that can be used to maintain the existing housing stock in Chippewa County. Objective: Provide assistance to owners in maintaining and upgrading their owner occupied, or their rental units, by providing funding for repairs and the removal of lead based paint and asbestos hazard. Objective: Work with owners and county zoning to develop plans for improving properties that are substandard or in violation of codes or HUD inspection standards. Objective: Assist municipalities with demolition of condemned properties.
	Goal: Expand homeownership for low-income families Objective: Apply for funding that can be used to provide down payment assistance. Objective: Expand the Housing Choice Voucher homeownership program. Objective: Work with community partners to develop new construction housing or rehabilitate existing housing for low-income homebuyer households. Efforts will be made to make new construction homes energy efficient and visitable.
	Goal: Provide support to assist homeowners in maintaining homeownership Objective: Apply for funding that can be used to assist homeowners in completing repairs to their homes. Objective: Apply for funding that can be used to assist homeowners in accessibility improvements.
	Goal: Promote Fair Housing Objective: Advance Fair Housing practices by disseminating information about the laws and practices of fair housing. Objective: Assist housing consumers who have been victims of discrimination by negotiating with the violator. Objective: Assist housing consumers who have been victims of discrimination to file complaints with HUD when negotiations are not effective.

Progress Report. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

Goal: Expand the supply of affordable housing, especially large unit housing (4 bedroom or larger)

Objective: Maximize Housing Choice Voucher funding by leasing at 100%. In the past five years, Chippewa County Housing Authority (CCHA) has been awarded 42 additional vouchers including 33 Mainstream vouchers, 5 Foster Youth to Independence vouchers and 4 fair share allocation of Housing Choice vouchers. CCHA currently has a total of 451 vouchers and has not been able to lease all vouchers but is utilizing more than 100% of the PHA budget authority.

Objective: Apply for funding that can be used for assisting low-income families to pay their rent/utilities. CCHA has applied for and received funding for Tenant Based Rental Assistance, Mainstream vouchers, and Foster Youth to Independence vouchers.

Objective: Apply for funding that would allow the acquisition of existing single and multi-family rental properties that are dilapidated or blighted. Rehabilitate and offer them for rent or for sale at rates that are affordable for low income households. Focus will be on large unit properties. CCHA has acquired 6 additional units of single family housing during the 5-year period, and has sold 2 to low income homebuyers, is managing 1 as an affordable rental unit without unit-based subsidy, and 3 are in the process of rehabilitation to be sold to a low-income homebuyer.

#### Goal: Improve the quality of housing

Objective: Apply for funding that can be used to maintain the existing housing stock in Chippewa County. CCHA serves as the administrator of the CDBG program for the West Central Wisconsin Housing Region and 23 CDBG Revolving Loan Funds on behalf of various municipalities. The CDBG program provides funding for home repairs.

Objective: Provide assistance to owners in maintaining and upgrading their owner occupied, or their rental units by providing funding for repairs and the removal of lead based paint and asbestos hazard. CCHA has Rental Rehab and Lead Hazard revolving loan funds available to owners of rental properties.

Objective: Work with owners and County Zoning to develop plans for improving properties that are substandard or in violation of codes or HQS. CCHA regularly works with owners to improve substandard properties through the CDBG home repair program.

Objective: Assist municipalities with demolition of condemned properties. In the 5-year period, CCHA has not been approached by any municipality to assist with the demolition of condemned properties.

#### Goal: Expand Homeownership for low-income families

Objective: Continue to provide assistance with down payments. In the 5-year period, CCHA has assisted 18 home buyers with down payment assistance through various funding sources such as CDBG, HCRI, and BUILD-Chippewa Falls.

Objective: Expand the Housing Choice Voucher homeownership program. In the 5-year period, CCHA's HCV homeownership program has decreased in participation with currently 3 participating homeowners. In the current housing market, it is difficult for low-income households to find housing that they can afford that will pass HQS inspection standards. CCHA continues to make the program available for voucher holders who are interested in homeownership.

Objective: Work with Chippewa YouthBuild Program to create new housing for low-income homebuyer households. Efforts will be made to make these homes energy efficient and visitable. CCHA partnered with Workforce Resource Inc. (WRI) to construct 2 homes through the YouthBuild program. CCHA partnered with WRI on another YouthBuild grant, but the grant was not funded and so the program has ceased. In 2023, CCHA initiated a partnership with Chippewa Valley Habitat for Humanity to construct a single-family home as a pilot partnership to develop affordable housing for low-income homebuyer households.

#### Goal: Provide support to assist homeowners in maintaining homeownership

Objective: Continue to provide programs that will assist homeowners in completing repairs to their homes. In cooperation with Chippewa County, CCHA is administering the regional CDBG home repair program and submits CDBG funding applications on a biannual basis on behalf of Chippewa County. CCHA is also administering BUILD-Chippewa Falls funds for home repair in cooperation with the City of Chippewa Falls. With the active regional CDBG grant and the locally held revolving loan funds, there are enough funds available to meet the need at this time.

Objective: Identify an additional service group or organization that can assist homeowners with chore services. In Chippewa County, there are volunteer groups such as the Lions Club, Boy Scouts, and United Way who can assist homeowners with chore services.

Objective: Continue to provide programs that will assist homeowners in accessibility improvements. In the 5-year period, CCHA has assisted 14 homeowners with accessibility improvements to their homes through the CDBG home repair program.

#### Goal: Re-establish a Central Point of Intake for Homeless Services in Chippewa County

Objective: Identify an agency that is able and/or willing to provide a homeless intake service. CCHA is an active member of the Chippewa County Council on Homelessness and Hunger which highlighted the need for a central point of intake for homeless services in Chippewa County. This group has supported the efforts of a local agency, the Career Development Center – Outreach office, to become the central point of intake for Chippewa County residents experiencing homelessness.

Objective: Identify sources of income to cover the costs of providing the homeless intake services. CCHA, and other members of the Chippewa County Council on Homelessness and Hunger, have been active in providing education and awareness to the community on the issue of homelessness, which has increased community involvement, including donations and other funding opportunities for the CDC-Outreach office to conduct their intake efforts. CCHA has also written letters of support for grants written by the CDC-Outreach office to support homeless intake.

#### Goal: Promote Fair Housing

Objective: Advance Fair Housing Practices in the County by disseminating information about the laws and practices of fair housing. CCHA disseminates fair housing information by posting information on its' website, conducting an annual fair housing coloring contest for after school programs, and posting fair housing information at public locations.

Objective: Assist housing consumers who have been victims of discrimination by negotiating with the violator. CCHA negotiates with landlords who participate in the Housing Choice Voucher program as needed for violations of fair housing laws.

Objective: Assist housing consumers who have been victims of discrimination to file complaints with HUD when negotiations are not effective. CCHA has and continues to make HUD contact information readily available to consumers.

B.4	Violence Against Women Act (VAWA) Goals. Provide a statement of the PHA's goals, activities, objectives, policies, or programs that will enable the PHA to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking.
	CCHA works in partnership with the local domestic violence agency, Family Support Center, in administration of the Tenant Based Rental Assistance program which provides rental assistance and case management/advocacy services for individuals and families who are homeless or at risk of homelessness due to fleeing domestic violence, dating violence, sexual assault or stalking. CCHA provides information and referral to local domestic violence agencies as well as coordination of their services in conjunction with housing assistance that the victim/s need.
C.	Other Document and/or Certification Requirements.
C.1	Significant Amendment or Modification. Provide a statement on the criteria used for determining a significant amendment or modification to the 5-Year Plan.
	CCHA defines "significant amendment" as the total elimination of a program for reasons other than lack of funding, and changes to rent or admission policies except those changes that are required or adopted to reflect changes in HUD regulation or are implemented due to national or local emergencies are exempted actions and will not be considered significant amendments or modifications to the 5-Year Plan.

Affirmatively Furthering Fair Housing. (Non-qualified PHAs are only required to complete this section on the Annual PHA Plan. All qualified PHAs must complete this section.)

Provide a statement of the PHA's strategies and actions to achieve fair housing goals outlined in an accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5). Use the chart provided below. (PHAs should add as many goals as necessary to overcome fair housing issues and contributing factors.) Until such time as the PHA is required to submit an AFH, the PHA is not obligated to complete this chart. The PHA will fulfill, nevertheless, the requirements at 24 CFR § 903.7(o) enacted prior to August 17, 2015. See Instructions for further detail on completing this item.

#### Fair Housing Goal:

#### D. Affirmatively Furthering Fair Housing.

(Non-qualified PHAs are only required to complete this section on the Annual PHA Plan. All qualified PHAs must complete this section.)

D.1 Affirmatively Furthering Fair Housing. The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) .... Strategies and actions must affirmatively further fair housing ...." Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant — whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction — and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D.; nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the 5-Year PHA Plan. The 5-Year PHA Plan provides the PHA's mission, goals and objectives for serving the needs of low- income, very low- income, and extremely low-income families and the progress made in meeting the goals and objectives described in the previous 5-Year Plan.

Public reporting burden for this information collection is estimated to average 1.64 hours per year per response or 8.2 hours per response every five years, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations.
