WisDOT Project ID: Project 8910-03-08/78
Boyd – Estella
County O to County S North
County D
Chippewa County

This letter is intended to provide notification of an upcoming Wisconsin Department of Transportation (WisDOT) resurfacing project under design by CORRE Inc. Improvements are proposed on a segment of County D in Chippewa County. Any comments received will be documented in the environmental review process. The WisDOT project team appreciates your participation and comments on this preferred alternative.

Project Description

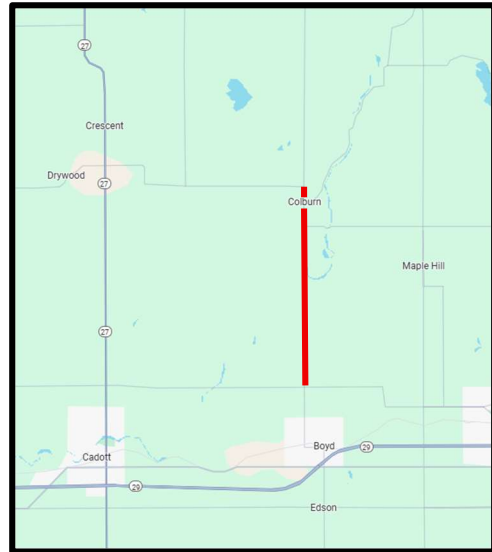

CORRE is preparing plans for the proposed undertaking along 5 miles of County D that consists of:

- Pulverizing and overlaying the asphalt pavement.
- Updating sections of substandard Guard Rail

The project is located on County D and begins at County O and extends north to County S North. The project is needed to preserve and improve the roadway segment of County D by addressing pavement and structure condition. Construction is currently scheduled for the summer of 2028.

Proposed Traffic Impacts

County D will remain open to traffic throughout construction. Work done on travel lanes, shoulders and Guard rail sections will occur using single-lane closures.

Schedule

Preliminary design began.....	Spring 2025
Plans, Specifications and Estimate Submittal.....	November 2027
Scheduled Construction.....	Summer 2028
